

If I were an Athenian male citizen who had been granted the right to vote, I'd feel...

If I were a Spartan soldier whose whole life had been dedicated to the military, I'd feel...

If I were an Athenian male citizen who had been granted the right to vote, I'd feel...

If I were a Spartan soldier whose whole life had been dedicated to the military, I'd feel...

**Instructions:** Choose to be either an Athenian or Spartan. Then pick one word to finish the sentence. Write that word at the bottom of the face. Then write 4 sentences that justify your emotion. Write your four sentences around the face.

Directions: Please pick one of the sentences to complete. After you have completed the sentence, write 4 complete sentences that provide a rationale for your emotion. Then fill in the face template that illustrates the sentiments
